

REMARKS

By this First Preliminary Amendment, claims 6, 7, 10 and 11 have been amended to correct claim dependency and grammar. Claims 1-16 are pending.

A substitute specification is submitted. The substitute specification corrects typographical errors and idiomatic English usage. No new matter has been entered. Replacement of the originally-filed specification with the attached clean copy is requested.

Replacement drawings are attached and include changes to Fig. 7, which has been labeled as "Prior Art," and Fig. 15, in which the mislabeled identifier "200" has been corrected to --300--.

A replacement Abstract is attached on a separate page.

Prompt examination is solicited.

Dated: July 1, 2004

Respectfully submitted,

By
